DR. RUTH L. FUENTES, CESO V

OIC, Regional Director
Department of Education – Regional Office IX
Pagadian City

Dear Dir. Fuentes:

The Philippine Science Heritage Center (PSHC), a premier science center in the country under the management of the National Academy of Science and Technology, Philippines (NAST PHL) and mandated by Republic Act No. 9107 to serve as the main repository of the achievements and contributions of Filipino scientists in science and technology, will be conducting **"Salinlahi Guro ng Siyensiya: Understanding the Students' Mental Health"** on **17 August 2022, 10:00 AM - 12:00 NN, via Zoom.**

Recognizing the role of Science, Technology, Engineering, and Mathematics (STEM) teachers in the promotion of scientific culture, the PSHC conducts a Salinlahi Guro ng Siyensiya (SGS) – a seminar-workshop for science facilitators. It aims to equip science teachers with the latest information about science-related matters. For this year's SGS, PSHC aims to inform and update the STEM teachers, facilitators, and instructors on approaches to better understand the mental health of students, especially during this pandemic and the return of Face-to-Face classes.

May we request your **assistance in disseminating this information** to the **teachers and instructors** under your supervision? Interested participants may register at <https://bit.ly/SGSMentalHealth>. Attached herewith is the program of activities.

Your positive response will be greatly appreciated. For concerns and inquiries, you may email us at salinlahi@nast.dost.gov.ph.

Thank you very much and stay safe.

Sincerely,

LUNINGNING E. SAMARITA-DOMINGO, CESO III
Director IV
