KEYSTAGE 1 TEACHING AND LEARNING MATERIALS

WITH THE PHILIPPINE EARLY LEARNING AND

DEVELOPMENT STANDARDS

DATE

September 23, 2025

In support of the Department's Five (5) Point Agenda—particularly its commitment to ensuring efficient learning delivery and high-quality education-a Workshop on the Harmonization of Key Stage One Teaching and Learning Materials with the Philippine Early Learning Standards (PELDS) will be conducted. The initial goal of this workshop is to conduct mapping of the curriculum and teaching and learning materials aligned with these standards. It will be held from October 15 to 17, 2025, at the National Educators Academy of the Philippines (NEAP) Marikina, No. 15 Cepeda St., Concepcion, Marikina City.

The PELDS outline what Filipino children aged 0-8 are expected to know, understand, and be able to do across key developmental domains. These standards serve as a guide for curriculum development, instruction, and assessment in early childhood education. By harmonizing learning experiences with these standards, educators can better support the developmental needs of children and promote equitable learning opportunities for all.
